

“Ely’s Hidden Treasure,” the all new Prospector Hotel & Gambling Hall, chooses Table Trac’s CasinoTrac system

Minnetonka, MN, September 12, 2017 – Prospector Hotel & Gambling Hall of Ely, Nevada has contracted with Table Trac, Inc. (OTCQB: TBTC) to replace their existing online slot system with the CasinoTrac system. Prospector is the latest of a growing number of Nevada casinos that have chosen Table Trac’s newly approved system in Nevada.

Prospector Hotel & Gambling Hall, located in historic Ely, Nevada, is the gateway to Great Basin National Park. As a pet-friendly hotel and casino, with an RV Park and dog run that’s as big as a football field, guests discover that the friendly staff is dedicated, accommodating, and ensures that your stay is relaxing and enjoyable. CasinoTrac will install its Nevada reporting compliant, easy to use system, to increase productivity and enhance operations for the guests.

“Table Trac is honored to be chosen by Prospector for their casino system,” said Chad Hoehne, President of Table Trac, Inc. “I know we will be a good team member for their casino, providing a great system with support and real world advice on how to maximize the return they get from our full featured system and making it fast and easy to serve their guests.”

Jason Woywod, President of the Prospector Hotel & Gambling Hall, stated, *“The addition of the CasinoTrac system helps Prospector extend that relaxing and enjoyable experience to the gaming hall with a brand new players club offering rewards and fun new ways to win bonuses.”*
