

Table Trac Receives Manufacturer License in Maryland

MINNETONKA, MN, July 7, 2017 – Table Trac, Inc. (OTCQB: TBTC) announces that it has been granted a Video Lottery Terminal Manufacturer License by the Maryland Lottery and Gaming Agency. This license approval will permit Table Trac to install its gaming management system in Maryland casinos, along with facilities that offer video lottery terminals, electronic pull-tabs and bingo.

Table Trac CEO, Brian Hinchley, stated, “Our products and services are well suited for the gaming establishments of Maryland, and we anticipate the site operators will soon recognize the benefits and value of our management system.”

Maryland is the first license for Table Trac in an East Coast jurisdiction, and compliments the company’s growth throughout South America, California, Oklahoma, South Dakota, Texas and Washington over the past eighteen months.

About Table Trac, Inc.

Founded in 1995, Table Trac, Inc. designs, develops and sells casino information and management systems. The company has systems installed with 82 operators, representing more than 120 sites, in North, South, and Central America, as well as the Caribbean.
