

## **Table Trac, Inc. at G2E Las Vegas 2018 to Showcase The Most Value-for-Money Casino Management Software**

MINNETONKA, Minn., October 2, 2018 -- Table Trac, Inc. (OTCQB:Table Trac) will showcase its latest casino management and table games management system at the annual Global Gaming Expo (G2E) Las Vegas from Oct 9 -11 at Sands Expo hall. Table Trac's CasinoTrac CMS system is a leading choice for value and features, combined with simplicity of operation for casino management and table game management systems.

"Not only is G2E Las Vegas the largest gathering of global, commercial and tribal gaming professionals in North America, this is the ideal place for CasinoTrac to showcase its latest products and technologies," said Chad Hoehne, Table Trac's President. "Our comprehensive casino management and table games management system solutions have been designed with a focus on increasing operational efficiencies for gaming operators, and as importantly, our systems are designed to drive revenues through an exciting suite of marketing and promotional tools."

Table Trac will be exhibiting its latest products and technologies in booth #1336 at the trade show and conference at The Sands Expo hall.

"CasinoTrac is probably the most affordable suite of system solutions in the market today," said Hoehne, adding, "but in the end a casino management system is all about giving you more freedom and means to engage and connect with your players."
