Table Trac, Inc. Continues its California Expansion with the Signing of the Cahto Tribe's Red Fox Casino in Laytonville

MINNETONKA, MN, May 22, 2014 – Table Trac, Inc. (OTCQB: TBTC), a developer and provider of casino information and management systems that automate and monitor the operations of casinos, today announced the completion of a new systems contract to provide its CasinoTrac casino management system for the Cahto Tribe Red Fox Casino in Laytonville, California.

The contract signing took place at the National Indian Gaming Association's premier trade show and conference in San Diego, California.

Table Trac will be installing its latest casino management system which includes a comprehensive suite of management tools, including slot accounting, patron management, player tracking, as well as PromoTrac and KioskTrac, Table Trac's unique revenue driving marketing and promotional products.

Glenn Goulet, Chief Executive Officer of Table Trac commented, "We are extremely pleased in the Red Fox Casino's confidence in our casino management system and the full-suite of products it offers and look forward to providing the Cahto Tribe with state-of-the-art solutions that not only help grow revenues today, but also provide a technology-driven road map for the future."
