Forward Looking Statements

Statements made in this press release, including statements regarding events and financial trends that may affect our future operating results, financial position and cash flows, may constitute "forward-looking statements" within the meaning of the federal securities laws. These certain statements are based on our assumptions and estimates and are subject to risks and uncertainties. You can identify these forward-looking statements by words like "strategy," "expects," "plans," "believes," "will," "estimates," "intends," "projects," "goals," "targets" and other words of similar meaning. You can also identify them by the fact that they do not relate strictly to historical or current facts. For these statements, we claim the protection of the safe harbor for forward-looking statements provided by the Private Securities Litigation Reform Act of 1995. For further information on factors that could impact Table Trac and statements contained in this press release, reference should be made to Table Trac's filings with the Securities and Exchange Commission, including quarterly reports on Forms 10-Q, current reports on Form 8-K and annual reports on Form 10-K. You can access such filings at <http://www.sec.gov>.
