

WinnaVegas Casino Resort selects Table Trac's CasinoTrac Management System to replace existing system

MINNETONKA, MN, April 30, 2015 – Table Trac, Inc. (OTCQB: TBTC), a developer and provider of casino information and management systems that automate and monitor the operations of casinos, today announced it will provide its CasinoTrac Management System for the WinnaVegas Casino Resort located in Sloan, Iowa.

Table Trac will be providing the WinneVegas Casino Resort with a complete suite of casino management products, slot auditing and accounting, patron management and player tracking, along with PromoTrac and KioskTrac, Table Trac's marketing and promotional solution that assists casinos in driving player revenues and creating player loyalty which are included standard with every CasinoTrac system. The WinnaVegas installation will also include Table Trac's Table games management system.

Mayan Beltran, WinnaVegas Casino Resort General Manager explains, "CasinoTrac offers WinnaVegas Casino Resort an opportunity to gain cutting edge technology while increasing profitability by eliminating the endless cycle of upgrades, add on fees and planned obsolescence associated with our current system."

Table Trac's Chief Executive Officer, Brian Hinchley, stated, "The entire Table Trac team is proud to be associated with the WinnaVegas Casino Resort as it gives us the opportunity to work with Mr. Beltran and his talented team of professionals at such an impressive property. We look forward to being able to showcase our innovations at WinnaVegas Casino Resort for many years to come."
