

Wildwood Casino Cripple Creek selects Table Trac's Table Games Management System to replace existing system

Table Trac's first Colorado installation

MINNETONKA, MN, June 2, 2015 – Table Trac, Inc. (OTCQB: TBTC), a developer and provider of casino information and management systems that automate and monitor the operations of casinos, today announced it will provide its Table Games Management System for the Wildwood Casino located in Cripple Creek, Colorado.

Kevin Werner, Wildwood Casino General Manager explains, "We have had our eye on the Table Trac table games management system for quite some time and we are pleased to be the first casino in Colorado to install their system. The Table Trac system will greatly enhance the customer experience as well as streamline operations for our talented table staff."

Table Trac's Chief Executive Officer, Brian Hinchley, stated, "We are excited to enter the Colorado market and to be partnered with Wildwood Casino. Table Trac has entered a number of new gaming jurisdictions over the past few years, and I am gratified to see the global appreciation and growth of both our TableTrac and CasinoTrac products."

Table Trac will provide the Wildwood Casino with a complete suite of table games management products that assists casinos in driving player revenues and creating player loyalty, which are included standard with every Table Trac table games management system.
