

Table Trac Signs International Agreement with PVS Australia

MINNETONKA, MN, January 27, 2016 – Table Trac, Inc. (OTCQB: TBTC) and PVS Australia announce the signing of an International Agreement to distribute the CasinoTrac system throughout Australia.

The Agreement will give PVS exclusive representation of the CasinoTrac Management suite in licensed hotel and club venues, and includes reporting, accounting, compliance, patron management, dispatching, along with marketing solutions, which aid gaming venues in creating player loyalty and growing revenues.

PVS Director, Richard Whitehouse, stated, “The PVS executive team literally traveled the world looking for a system solution that would meet the needs of our competitive markets and in particular for the Queensland Market to support our recent approval as a Licensed Monitoring Operator. Additionally, we needed to find a company comprised of like-minded individuals with a proven product, and we found that and more when we met Table Trac.”

Table Trac Chief Executive Officer, Brian Hinchley, stated, “We are enthusiastic to contract with PVS, a company that has a strong customer base, strives for superior customer service, and wants to represent a world-class casino management technology.”

Both CEO Hinchley and Director Whitehouse are excited to showcase the CasinoTrac Management system at the upcoming Keno Australasian Hospitality and Gaming (AHG) Expo to be held at the Brisbane Convention and Exhibition Centre on March 2nd and 3rd.
