

## **Fort Randall Casino and Hotel selects Table Trac's CasinoTrac Management System to replace existing system.**

MINNETONKA, MN, March 22, 2016 – Table Trac, Inc. (OTCQB: TBTC) and The Yankton Sioux Tribe's Fort Randall Casino and Hotel announce the selection of the CasinoTrac management system to replace their existing casino management system for their casino, in Fort Randall, South Dakota.

Table Trac will provide the Fort Randall casino with a complete suite of casino management products that includes reporting, slot auditing, accounting, patron management, dispatching, along with marketing and promotional solutions, which assist casinos in creating player loyalty and growing revenues.

Roy Wade Jr., Acting Co General Manager for Fort Randall Casino, said, "Given the increasingly competitive gaming landscape in eastern South Dakota it was imperative that our casino change system providers. Casino Trac gives us a system with enhanced capabilities that also frees us from burdensome planned obsolescence and upgrade fees."

Chief Executive Officer Brian Hinchley of Table Trac stated, "We are pleased that Fort Randall Casino is joining the CasinoTrac system family, and will benefit from our business model and our industry leading technology."
